

AAL Call 2016 Innovation Matchmaking Event Belgium–Switzerland–Luxembourg

Living well with dementia - The contribution of ICT to integrated solutions for enabling the wellbeing of people living with dementia and their communities

When: 21 January 2016 **Where:** BIP House, 2-4 rue Royal, B-1000 Brussels

AGENDA

Belgium, Switzerland and Luxembourg are organising a joint Innovation Matchmaking Event on 'Living well with dementia' to foster cooperation between Belgium, Swiss and Luxembourg enterprises, end-user organisations and research institutes. It offers these organisations the possibility to meet potential partners for (R&D) cooperation.

The event is linked to the **Active and Assisted Living Programme (AAL)**. The objective of the AAL Programme is to develop innovative ICT based solution (products and services) that improve the quality of life of older adults and allow them to remain independent in their personal living environment.
